Celebrating Over 10 years of Success in Training and Development

Future Strategies Consulting is one of the leading training providers in the North East of England. The success of FSC is due to being committed to offering a flexible and effective approach to training and development, with programmes specifically designed to meet the learning and development needs of organisations and their employees.

"The professional and proactive approach by FSC allowed Warmseal to grow from an organisation with very little in-house training, to one that has all departments active in their approach to training issues and development." WARMSEAL WINDOWS

"Having facilitated a comprehensive programme of study involving some 95 team leaders FSC worked extremely hard to ensure the success of the programme and were very flexible in their approach." THYSSENKRUPP AUTOMOTIVE TALLENT CHASSIS LTD

"The provision of the training along with course content was extremely well received by all participants of the department...the course was a success and we would recommend the services of FSC in the future." NEWCASTLE INTERNATIONAL AIRPORT

"The Course was extremely successful, the participants enjoyment and motivation was largely down to the skills of the trainer. All participants had a sense of achievement and improved customer service levels." GATESHEAD COUNCIL

"The delegates enjoyed the delivery and found the materials to be easy to use and of good quality. Should we have training needs I will be sure to contact Future Strategies." MARRIOTT HOTELS

"The programme updated senior managers on the issues and legislative changes that have taken place...the training style was informative and questioning which provoked contributions from all attendees." CAPITA

"The delivery of the programme is excellent and offers flexibility which is paramount in the type of business performed here at NUFC...the trainers are excellent in accommodating the needs of each individual." NEWCASTLE UNITED FOOTBALL CLUB

"Our office is extremely busy and it was difficult to find the right person to hit the ground running, we needed someone with confidence and 'get up and go' attitude. Together working with FSC, we couldn't have found a more suited trainee." Secret Key Estate Agents

"I am very happy with the apprenticeship program from Future Strategies. [The apprentice] has good time keeping, gets on with her work and all the staff at GM packaging. [The apprentice] is well thought of and conscientious." GM Packaging UK Ltd
